As a valued supporter of the Mountain Valley Charitable Foundation, nothing is more important to us than your health and safety. Like you, we're monitoring the spread of the coronavirus, known as COVID-19.

Our annual Casino Night is a major fundraiser for the Foundation. However, the virus continues to be a growing concern across the state and the nation. Out of an abundance of caution and in accordance with the Center for Disease Control's recommendation that there be no gatherings of 50 or more, we will be postponing the event which was originally scheduled for March 28.

We hope to reschedule Casino Night in the early fall when circumstances are more favorable. For those who already have purchased sponsorships or tickets, we will be happy to refund your donation. Or, if you would prefer, we will hold it and apply it to the rescheduled event. Just let us know.

I apologize for any inconvenience this may have caused you and urge you to take the extra precautions necessary to protect you, your family and the community. We want to be able to celebrate with you when this challenging and uncertain time is behind us.

If you have questions about COVID-19, the Center for Disease Control (CDC) <https://www.cdc.gov/>, the World Health Organization <https://www.who.int/> and the Virginia Department of Health (VDH) <http://www.vdh.virginia.gov/coronavirus> websites are good sources for accurate and up-to-date information.

Sincerely,
Ellen Ryan
President
